The Vietnam War

Hey, Reno! We're looking for Vietnam War veterans from Reno County who would be willing to share their experiences with us. We want to help people understand the local impact of the war and what life was like in Reno County during that time.

If you served in the military, we'd love to talk with you about your experience. Did you serve overseas? Did you protest the war at home? Did you know someone who was sent off to fight? Even without ties to the military, if so, we'd love to hear your story!

We are also looking for items that relate to the war—letters, diaries, photographs, art, textiles, rations—anything like that would be great.
